## PRODUCT CARE TORPEZ WINE GLASS

**LEHMANN**  
REIMS • FRANCE

Glass **compatible with the dishwasher**.  
Preferably, use a glass program.

However, we recommend **manual washing in hot water, without detergent**.  
Repeated washing in a dishwasher may damage the decorative pattern.

For more shine, wipe the glass with a micro-fiber cloth.  
Impregnate a cloth with a **few drops of white vinegar** to restore the natural shine of the glass.

Do not turn the base and the bowl in the opposite direction.
